

Outcome 4.4: explain the significance of select innovations from the Ancient, Pre-Modern, and Modern Eras.

In small groups, research the innovations listed below (pp. 38-45). Use the table to organize your findings.

Innovation	What was it? / Describe the Innovation	Effects (short or long term)
Phoenician Boats (gauloi)		
Roman Aqueducts		
Medieval Stirrup		
Smallpox Vaccine		
Significance	Which do you think was the most significant of these innovations? Explain your choice.
