

Outcome 7.2: explain the development of governance systems from the Paleolithic to the Ancient Eras.

Read pages 84-85 to learn about governance in the Neolithic Era.

1. **Cause and Consequence:** How did agriculture change the way people lived in the Neolithic Era?

2. **Evidence:** What are examples that show that Neolithic society became more diverse?

3. **Cause and Consequence:** How did decision making for communities change with the rise of cities and empires? How was this both a good and bad thing?

4. **Knowledge:** Who were the rulers of ancient Egypt? What evidence exists of their importance?

5. **Comparison:** Read “The Code of Hammurabi” on p. 85 and answer the following questions.

<p>What do the laws in the Code of Hammurabi deal with? Provide examples.</p>	
<p>Why would a large society need codes of law and a small nomadic society not?</p>
