

Outcome 8.2: explain changes in government that occurred in England from the Pre-Modern to the Early Modern Eras.

Read pages 100-103 to learn about English governance in the Middle Ages.

1. **Knowledge:** Explain how the Anglo-Saxon monarchy worked. What were the responsibilities of the king?

2. **Cause and Consequence:** How did William the Conqueror organize England after he conquered it in 1066 CE?

3. **Values:** Were women treated equally to men in medieval society? How do you know?

4. **Cause and Consequence:** What things did King John do that made the people of England feel he was not a good king?

5. **Perspective:** Read the section “Magna Carta 1215” and complete the following.

<p>How were nobles affected by Magna Carta?</p>	
<p>How was the king affected by Magna Carta?</p>	
<p>How is Magna Carta important to us today?</p>	

6. **Cause and Consequence:** What is Parliament? How is it an important step in leading to democracy?

7. **Comparison:** How was Parliament different from the Anglo-Saxon Witan or King’s Council under William the Conqueror?
