

Outcome 7.1: explain the concept of economic disparity

Read pp. 196-199 in your text and answer the following.

1. **Knowledge:** What is the Gini Index? How do you read this piece of data?

2. **Draw Conclusions:** Do a google search to find Gini index values for Canadian provinces. List them below and identify the provinces with the best and worst Gini value. What does this say about income inequality in Canada?

3. **Values:** Read pp. 197-199. What role can governments play in overcoming income disparity? Be specific.
