

1. In the space below, list as many issues or problems as you can that you think have greatly affected people’s lives in the world. These may be local, national, or global.

2. Place the issues you identified above into the categories below. Then choose the most important 3 and explain your reasoning.

ECONOMIC (financial/money)	ENVIRONMENTAL (resources, ecosystems)	SOCIAL (people/health)	POLITICAL (government)

Rank	Issue	Reason for Ranking
